=====> Sign Up Here ==> Check out the awesome video playlist here → I have a soft spot for small 3D printers, or if you are a fan of the Ultimaker there is a massive community and a lot of products available for it. Thingiverse is a great source for Ultimaker's and other printer designs. I especially like this one and the one below. 3D Printing 1739 1 Digital Fabrication Check out the awesome video playlist here → I am always inspired by the stuff on Thingiverse.org Lately I have printed some stuff that I will tell you about. This was the first Thinger I made: This was the first Thinger I made:
